

CORPORATE ENVIRONMENTAL POLICY

BNi reaffirms its commitment to contributing towards a clean and sustainable environment and continually enhancing its environmental performance as an internal part of its business philosophy and values. Towards this commitment, we shall :

- Integrate sound environmental management practices in all our activities.
- Conduct our operations in an environmentally responsible manner to comply with applicable legal and other requirements related to its environment aspects and strive to go beyond.
- Progressively adopt cleaner and energy efficient technologies.
- Minimize waste generation and promote recovery , recycle and reuse.
- Increase greenery in and around our plants and mines.
- Strive for continual improvement in our environmental performance by setting challenging targets and measuring progress, taking corrective action and communicating environmental information to all concerned.
- Enhance environmental awareness amongst employees working for and on behalf of us and the general populace around plants and mines.
- Encourage our business associates to adopt similar approach for environmental protection.
